

12V-10

10oz Cartridge, 12 Volt Li-on

- **Weight – 1.2kg, lightest in class by 30%**
- **Master speed control dial**
- **225kg output force for wide usage**
- **12V 1.5Ah Li-ion long life battery pack**
- **Up to 100 cartridges per charge**
- **Integrated microcontroller ensures smooth and efficient bead dispensing**
- **No Load Speed- 230 mm per minute**
- **Capacity - 10oz (300ml) Cartridge**
- **Maximum Force - 225 kg**
- **Tool Dimensions - 70 x 250 x 480 mm**
