

12V-20

20oz Sausage, 12 Volt Li-on

- **Master speed control dial**
- **1.7kg, (3.8lbs) lightest in class**
- **2kN (450lb) output force for wide usage**
- **12V Li-ion long life battery pack**
- **Up to 60 sausages per charge**
- **Integrated microcontroller ensures smooth and efficient bead dispensing**
- **No Load Speed - 230 mm per minute**
- **Capacity - Sausages up to 20oz (600ml), and 10oz (300ml) cartridges**
- **Maximum Force - 2kN (450lb)**
- **Tool Dimensions - 70 x 250 x 580 mm**
