

Quality Sealant Applicators Since 1974

U-LITE

*Cut Cartridges
Get You Into
Small Places*

How It Works:

Easy Snap In Cartridge Loading

Slide cartridge into opening until it snaps into place. Make sure it snaps in securely.

Easy Pop Out Cartridge Unloading

Hold the cartridge and pull the rod all the way until you hear a click. The cartridge will be released.

COMPARE THE QUALITY:

- Lightweight & Compact Design
- Non-Drip
- Quick & Easy Snap In / Pop Out Cartridge Loading and Unloading
- Ergonomic Grip for All Size Hands
- Tube Rotates Freely to Work Around Corners
- Works with Cut Cartridges to Get Into Small Places
- Ideal for Latex & Silicone Caulks
